Petition to Cancel Highway 413

To The Legislative Assembly of Ontario:
WHEREAS the government is redundantly neglecting Ontario's ecosystems, natural habitats and environment.
AND WHEREAS Highway 413 would cost billions of taxpayer dollars and underfund crucial public transit.
AND WHEREAS the new highway would pave over 400 Acres of the Greenbelt and over 2,000 acres of Class 1 and Class 2 farmland.
AND WHEREAS Highway 413 would add 17 million tonnes of greenhouse gas emissions by 2050 resulting in $1.4 billion in damages from pollution.
AND WHEREAS Highway 413 would destroy archeological sites inhabited by the Huron-Wendat and intercept headwaters within Mississauga of the Credit First Nation's Territory.
We the undersigned petition the Legislative Assembly of Ontario as follows:
To instruct the Ontario government to immediately commit to cancelling Highway 413, and invest in livable and affordable communities connected by transit that protect nature and crush climate pollution.
