

Petition to Bring Weekend GO Train Service to Guelph and Kitchener

Mike Schreiner, MPP
Guelph

To the Legislative Assembly of Ontario

WHEREAS commuters from on the Kitchener Line have gone too long without reliable weekend GO train service; and

WHEREAS every weekend, long lines form for GO buses only for many riders to be left behind when they reach capacity; and

WHEREAS people in Guelph and Kitchener rely on transit to get to appointments, errands and outings with friends and family; and

WHEREAS expanding GO train service to weekends would alleviate highway congestion, reduce pollution and support our local economy; therefore

WE THE UNDERSIGNED PETITION the Legislative Assembly of Ontario as follows: To prioritize and immediately expand GO train service to weekends on the Kitchener line, in addition to a broader, long-term plan to deliver all-day-two-way GO Train service along the Toronto-Guelph-Kitchener corridor.
